Dear Shareholders,

You are requested to elect the members of the Board of Directors.

The members of the Board of Directors are elected by a Shareholders' Meeting – pursuant to article 14.4 of the corporate bylaws – on the basis of slates filed by the Shareholders, on which the candidates must be numbered progressively.

With regard to the procedures and deadlines for the preparation, filing, and publication of the slates by the Shareholders, you are reminded that pursuant to the applicable law and article 14.4 of the corporate bylaws:

- a) Shareholders must submit the slates, together with the required documentation, to the Company no later than twenty-five days before the date set for the Shareholder's Meeting convened for the election of the members of the Board of Directors, i.e. by 2 April 2026. The slates must be filed at the Company's registered office (i) through delivery by hand of the documentation to Poste Italiane S.p.A.'s Corporate Affairs department (at Viale Europa n. 175 - 00144 Rome, from Monday to Friday possibly from 10 am to 6 pm), or electronically (ii) to certified address affari.societari@pec.posteitaliane.it. The slates must be made available to the public by the Company at the Company's registered office and on the Company's website at least twenty-one days before the date set for the Shareholders' Meeting (in this regard, taking into account that this deadline would expire on Monday 6 April 2026, the holiday following Easter Sunday, this deadline is postponed to Tuesday 7 April 2026, in line with the provisions of the following letter d) regarding the production of the certification attesting the ownership of the minimum share required for the submission of slates by the Shareholders);

- b) each Shareholder may submit, or participate in submitting, only one slate and each candidate may be enlisted in only one slate under penalty of ineligibility;
- c) only those Shareholders who, alone or together with other Shareholders, own a percentage of the share capital of the Company equal to at least the 0.5% are entitled to submit slates;
- d) the ownership of the minimum percentage of the share capital of the Company required to submit the slates is determined according to the shares that are registered in the name of the shareholder on the date on which the slates are filed with the Company. The relevant certificate, issued by an authorized intermediary, may also be provided after the filing of the slates but, in any case, no later than twenty-one days before the date of the Meeting (in this regard, taking into account that this deadline would expire on Monday 6 April 2026, the holiday following Easter Sunday, this deadline is postponed to Tuesday 7 April 2026);
- e) the declarations of the individual candidates under which they accept their candidacy and certify, under their own responsibility, the absence of any cause of ineligibility e incompatibility, as well as their satisfaction of the requirements of honorableness, professionalism and independence (also pursuant to Recommendation No. 7 of the Corporate Governance Code), including judgment, and the fulfilment of the criteria of intergrity and comptence for their respective offices specified (i) by the law and regulations in force (including, inter alia, the Minister of Economy and Finance’s Decree n. 169 of 23 November 2020, “Regulation on the requirements and eligibility criteria for the performance of the office of corporate officers of banks, financial intermediaries, trust companies, electronic money institutions, payment institutions and depositor guarantee systems”, hereinafter also the “DM 169/2020”), (ii) by the Bank of Italy’s Supervisory Regulations applicable to Poste Italiane (considering, among other things, both the activities carried out through the BancoPosta’s Ring-Fenced Capital and the circumstance that Poste Italiane owns the entire share capital of PostePay S.p.A., an electronic money institution), and (iii) by the corporate bylaws, must be filed with the Company together with each slate and the documentation required pursuant Article 144-*octies*, paragraph 1, letter b), of Consob regulation No. 11971 of 14 May 1999 (including

detailed information on the personal traits and professional qualifications of the candidates), by the same deadline specified above for filing the slates (and therefore by 2 April 2026). In this respect, please note that:

- pursuant to Article 147-*quinquies* of Legislative Decree No. 58 of 24 February 1998 (the “Consolidated Law on Finance”) directors of listed companies shall possess the integrity requisites established for the statutory auditors of listed companies, which are currently defined by article 2 of Decree No. 162 of 30 March 2000 of the Ministry of Justice;
- in addition to the above, the candidates to the office of director must possess the requirements of integrity, including the absence of causes of ineligibility or forfeiture, pursuant to Article 14.3 of the corporate bylaws, as well as fulfil the additional requisites and criteria specified (i) in the law and regulations in force (including the DM 169/2020), (ii) in the Bank of Italy’s Supervisory Regulations applicable to Poste Italiane (considering, among other things, both the activities carried out through the BancoPosta’s Ring-Fenced Capital and the circumstance that Poste Italiane owns the entire share capital of PostePay S.p.A., an electronic money institution), and (iii) in the corporate bylaws;
- pursuant to the provisions of article 14.4, seventh paragraph, of the corporate bylaws, each slate must include at least two candidates possessing the requirements of independence established by the law (that is to say, the requirements of independence that apply to the statutory auditors of listed companies, which are defined by article 148, paragraph 3, of the Consolidated Law on Finance), distinctly mentioning such candidates and listing one of them first on the slate;
- pursuant to the provisions of article 14.4, eight paragraph, of the corporate bylaws, the slates which contain a number of candidates equal to or above three shall also include candidates belonging to the less represented gender (as stated under the notice of this Meeting), in order to ensure that the composition of the Board of Directors be compliant with the applicable laws on gender balance.

With this regard, it has also to be considered that, pursuant to Article 147-ter, paragraph 1-ter, of the Consolidated Law on Finance, the composition of the board

of directors resulting from the election by slating vote system must ensure that the less-represented gender obtains at least two fifths of the directors elected (rounded, in the case of a fractional number, to the higher unit, as established with this respect by Article 144-undecies.1, paragraph 3, of Consob regulation No. 11971 of 14 May 1999);

- with Communication No. DEM/9017893 of 26 February 2009, Consob recommended to those shareholders who present a minority slate for the election of the Board of Directors to file, together with the slate, a statement “in which it is certified the absence of relationships of affiliation, also indirectly, as provided in Articles 147-ter, paragraph 3, of the Consolidated Law on Finance and in Article 144-quinquies of Consob Resolution No. 11971 of 14 May 1999, with those shareholders who own, also on a jointly basis, a controlling or a relative majority stake, where they can be identified on the basis of the filings of the relevant shareholdings required by Article 120 of the Consolidated Law on Finance or on the basis of the publication of the shareholders’ agreements under Article 122 of the same Law”, specifying the significant relationships, if any, with those shareholders who control or own a relative majority stake in the Company as well as on which grounds such relationships have not been considered significant for the existence of the mentioned relationships of affiliation.

In this respect, please note that, on the basis of the communications made pursuant to Article 120 of the Consolidated Law on Finance and of the shareholders’ ledger, the Company results to be subject to the de jure control of the Ministry of Economy and Finance (the “Ministry”), which owns directly a shareholding equal to the 29.26% of the share capital and Cassa depositi e prestiti S.p.A. (a company controlled in turn by the same Ministry) owns a further shareholding equal to the 35% of the share capital of the Company. However, the Ministry is not in any way involved in managing and coordinating Poste Italiane, that makes its management decisions completely autonomously, with due regard for the authority of its corporate bodies. This is confirmed by article 19, paragraph 6 of Decree Law n. 78/2009 (subsequently converted into Law n. 102/2009), which clarified that the rules contained in the Italian

Civil Code regarding the management and coordination of companies do not apply to the Italian government;

- according to the law and regulations in force applicable to the banks, as well as in compliance with the recommendations of the Corporate Governance Code (art. 3, Principle XII, Recommendation No. 15), the Board of Directors adopted a specific guideline on time provisions and limits on the number of offices that its members may hold in the boards of directors or of statutory auditors of other companies (including listed companies and those ones of significant size) in order to ensure that the persons concerned have sufficient time to effectively perform the role they have in the Board of Directors of Poste Italiane S.p.A.; the document containing this guideline can be consulted on the Company's website (www.posteitaliane.it).

With regard to the preparation of the slates, please note that, in the event Directors leave their office before the end of their term, Article 14.5 of the corporate bylaws provides for a mechanism of mandatory cooptation, according to which, whenever possible, such Directors are to be replaced by candidates from the same slate who of the Directors who have left their office. In any case, in replacing Directors who leave their offices vacant, the Board of Directors shall ensure the presence of the necessary number of Directors possessing the requirements of independence established by the law, and the compliance with the applicable laws on gender balance.

With regard to the mechanism for appointing the Directors elected by a slate vote, Article 14.4 of the corporate bylaws provides:

- that each person entitled to vote may vote for only one slate at the Shareholders' Meeting;
- that three-quarters of the Directors to be elected (rounding down any fraction to the unit) shall be drawn from the slate that has obtained the most votes cast, in the order in which they are listed on the slate;
- that the remaining Directors shall be drawn from the other slates, applying to this end the specific rules stated under letter b) of the aforesaid Article 14.4 of the corporate bylaws;

- that for the purposes of identifying the Directors to be elected, candidates listed on the slates that have received a number of votes amounting to less than half of the percentage required for presenting the aforesaid slates are not taken into account;
- in the event that the minimum number of independent Directors and/or Directors belonging to the less represented gender are not elected, the Directors of the most voted for slate with the highest progressive number and without the prerequisites in question will be replaced by the next candidates meeting the prerequisite or the prerequisites required drawn from the same slate. When even when applying this criterion it is not possible to identify the Directors meeting the prerequisites, the criterion of replacement indicated will apply to the minority slates most voted for from which were drawn the elected candidates; where even when applying the criteria of replacement provided for herein suitable replacements are not identified, the meeting will resolve with a simple majority. In this case the replacements will be carried out starting with the slates most voted for and by the candidates with the highest progressive number.

You are reminded that Article 147-ter, paragraph 3, of the Consolidated Law on Finance requires that at least one of the members of the Board of Directors is drawn from the minority slate that receives the most votes and is not in any way connected, even indirectly, with the Shareholders who presented or voted for the slate that was first in terms of the number of votes received.

With regard to the foregoing, the Shareholders are encouraged to vote at the Shareholders' Meeting for one of the slates of candidates for the office of Director prepared, filed, and published in accordance with the provisions discussed above.
